**EAST COAST BAKEHOUSE WAS ESTABLISHED IN 2016 AND IS IRELAND'S LARGEST BISCUIT MANUFACTURER. OUR STATE-OF-THE-ART PLANT IS ONE OF THE MOST MODERN IN EUROPE, PRODUCING AN ARRAY OF INNOVATIVE BISCUITS AND COOKIES IN RESPONSE TO EVER CHANGING MARKET DEMANDS.**

The Bakehouse itself comprises a 400 metre long fully integrated production line with capacity to meet the needs of Private Label, Contract Manufacturing and Branded product. A wide variety of options are available; cookies, sweet biscuits, including plain, half chocolate coated, and fully chocolate coated options. Nutrition is an important element of East Coast Bakehouse's innovation strategy. Our highly skilled product development team continually explore market trends, while working closely with customer buying and technical departments to develop bespoke products aligned to individual needs.

As a key player in the biscuit manufacturing industry we cover a broad range of product and packaging options, and currently supply over 26 countries.

Our recipes start with good quality, well-sourced ingredients and that coupled with our commitment to sustainable production allows us to bake better biscuits. Not only have we UTZ cocoa and RSPO certification, but we are also a member of the Irish Food Board's (Bord Bia) Origin Green programme.

Sustainability  
Programme

East Coast Bakehouse are also fully accredited to the highest food industry standard, BRC AA+, guaranteeing world class manufacturing.
